

IMPROVEMENT GUIDELINES FOR EATON PAGOSA ESTATES and FORM 2 APPLICATION FOR PROPERTY IMPROVEMENT TO EXISTING HOME

Property improvements to existing homes requiring an ARC approved permit include, but are not limited to: a building, structure, parking area, loading area, fence, wall, recreational facility, sign, deck enclosure, change in exterior color or shade, excavation, site work with or without grading, utility improvements, removal of trees over three inches in diameter (six inches in the case of Gambel Oak and any new exterior construction or exterior improvement constructed or completed on the property.

A \$2000 deposit is required for projects estimated to cost over \$50,000,

ARC may apply NEW CONSTRUCTION APPROVAL PROCESS and/or INSPECTIONS PROCESS if applicable.

ARC may request staking of improvement location.

The ARC recommends property owners speak with all potentially impacted neighbors to ensure the proposed improvement has no or limited impact on neighbors' views.)

Should improvement require more time beyond the scheduled completion date, property owner shall complete FORM 3 REQUEST FOR TIMELINE EXTENSION.

The deposit may be used by EPEPOA during construction or after construction to ensure compliance. Whatever portion of said deposit, minus any penalties and/or damage repairs, shall be refunded to the contractor/property owner.
